From the Desk of the Commander

This month the nomination for Post Officers begins with elections in May. We have come along way the past two years and we need to continue on that path. I hope everyone gives serious thought to either running for office or nominating someone worthy of the position. It is a very important and time consuming thing to be an officer of the Post. It does however have its' rewards and one of them is knowing we are helping our fellow veterans. I encourage everyone to take the time and consider the possibility of running. Past officers will give you help and advice if you have never done it before. Remember that everything we do at the Post is to help improve our service to our Veterans, the Community and our Post.

March we will be starting our spring cleanup of the Post so check the calendar for the date and time. We need as many individuals as possible so we can accomplish all that we need to do in the shortest time possible.

The ALR will be doing their March Fun Ride Saturday March 13th leaving the Post at 9:00 a.m. and the 3rd Annual Ryan's Ride Poker Run will be March 27th with breakfast being served at 8:30 a.m. to start things of. That same day the SONS will be entered in the Sixth Annual Triple B, Blackwater, Bluegrass & BBQ Cook-off so go on down to Main Street after the poker run and show them some support. Last year they took first place in the pulled pork competition.

We are starting to put together a shrimp and crawfish boil for the 15th of May. It will be a great time and it will include a horseshoe tournament that afternoon and a dart scramble that night. We may even include a band that afternoon if the membership wants it. More on this to come but please make sure you keep that day open. Last year everyone had a great time.

I need some volunteers to help with the advertising and publicity whenever we put an event on at the Post. I'm trying to form a publicity committee that will be in charge of making flyers, distributing them, getting the events in the newspaper and on the local radio stations. Ideally it would be a member from the Legion, Auxiliary, SONS and ALR with the commander chairing it. Anytime any unit from the Legion Family has an event it would be this group's responsibility to take care of the advertising. Advertising costs, if any, would be covered by the unit sponsoring the event. If anyone would like to volunteer for this important committee please let me or one of our officers know. It will be a great way of making sure all the events at the Post are successful.

Auxiliary Notes

March is upon us which means spring is coming. As you do your spring cleaning please donate all the things you and yours no longer need to the Auxiliary for their Yard sale on Saturday March 13th. Bring your donation to the legion beginning March 7th. Then come support the Unit as we try to raise money for our programs. I want to take this opportunity to thank all the wonderful members who have stepped up and helped this year. Every member needs to start thinking about what role they want to assume next year. I will not run for president again. My father is ill and I need to make him my #1 priority.

Thank you all for your prayers.
For God and Country
Ann O'Connor, President Unit#75

3rd Vice

Daylight Savings Time begins Mar 14 and St Patrick's Day, Mar 17. We are making a lot of improvements at the Legion and getting a little more help. The more help, the more we can get done. Plans for this month is to paint the white retaining wall, posts, doors and trim outside. If all went right, we were able to fix the cut rafters in the lounge to keep the ceiling from falling down, if not, we will be working on it for March clean-up.

The Social Lounge has now been on card access for almost 2 months and seems to be working well. Remember this is for your protection and the Legion. The doors must not be propped open and please dress for your comfort. We can not please everyone. We are also working on getting exhaust fans for the Social Lounge to help with the smoke. If you see something that needs done, please let me know, any officer or bartender.

ALR

The weather will hopefully be getting better and the riding will pick up. The last few rides has had nobody showing up but the RC or just 3 or 4 bikes. Let us know where you would like to ride or what you would like to do at the monthly meeting or drop us an email. We are open for suggestions to get more riders involved. Nominations should be starting this month for ALR officers and positions, with elections in June. I am ready for another fire, hot dogs, beer, s'mores, and good friends. Working on my back yard so I can have a pool party as soon as it gets warm enough.

Ride Safe and Sunny Side up....

Happy St. Patty's Day

**There's a dear little plant
that grows in our isle,
'Twas St Patrick himself,
sure, that set it;
And the sun on his labor
with pleasure did smile,
And with dew from his
eye often wet it.
It thrives through the
bog, through the brake,
and the mireland;
And he called it the dear
little shamrock of
Ireland...**

~Andrew Cherry
